

Let's create  
an impact  
for our health,  
*here!*

FONDATION HÔPITAL  
**CHALEUR**  
REGIONAL HOSPITAL FOUNDATION

2023/ANNUAL  
2024 REPORT

# Message from the chair

**Jean-Guy  
Robichaud**

*Chair of the  
Board of Directors*

As Chair of the Board, I'm proud to have witnessed a number of significant achievements this year. Our collective efforts have enabled us to improve a number of essential services for our community, thanks to the acquisition of essential, state-of-the-art equipment for the dialysis, oncology and cardiac rehabilitation units, as well as for the surgical suite, intensive care and mother-child program areas. What's more, the integration of new cutting-edge technologies in the laboratory and medical imaging sectors illustrates our commitment to providing optimal quality care.

These advancements are the result of the dedication and hard work of a strong and committed team. I have complete confidence in their ability to continue enhancing the quality of health care and services right here at home.

Together, we've reached new heights, thanks to the generosity and dedication of our valued volunteers, who give their time to support our mission.

It is with a deep sense of accomplishment that we conclude this year, a year distinguished by remarkable progress.

Thank you to each and every one of you who contributed to these successes. Together, we've achieved great things, and the benefits are felt every day.

## MEMBER OF THE BOARD OF DIRECTORS 2023-2024

**Jean-Guy Robichaud**, *chair*  
**Jennifer Cleversey-Moffitt**, *vice-chair*  
**Colin Brewster**, *treasurer*  
**Jessica Poirier**, *secretary*  
**Dre Natalie Banville**, *exofficio*

**Danielle Goyette**  
**Monique Boudreau**  
**Dianne Hachey**  
**Dr John LeBlanc**  
**Alice Hébert**

**Joceline Maillet-Boudreau**  
**Clifford Robichaud**  
**Christina Mallet**  
**Norma Aubut**

# Annual Campaign – \$383,026 for health care at the Chaleur Regional Hospital in Bathurst

**Thanks to the incredible generosity and unwavering support of our community, the Chaleur Regional Hospital Foundation's 2023 annual campaign was a great success. In fact, while we were aiming for an ambitious goal of \$350,000 to support the care and needs of our regional hospital, thanks to the invaluable commitment of our donors and volunteers, we were able to not only meet but exceed that goal, raising the extraordinary sum of \$383,026.**

This success is based on donations from individuals, companies and the community as a whole. Thanks to their generosity, we can ensure access to the best possible health care for our community, here at home first.

We would like to express our sincere gratitude to Hollis Chamberlain, Campaign Chair, and his entire team--Denis Roy, Jean-Guy Robichaud, Danielle Goyette, Dr. Marc-André Doucet, Chair of the Annual Golf Tournament, Alice Hébert, Chair of the Roses Radiothon, and Dr. Marilyne Bossé, Chair of the Northern Star--whose dedication and leadership were instrumental in the success of this campaign. Their commitment was essential in mobilizing our community to achieve this ambitious goal.

Community activities also contributed significantly to this success. The Charity Golf Classic, Roses Radiothon, Walk 1 km in My Shoes, and the Northern Star were all standout events where our community came together to support a cause dear to our hearts.

Your generosity and solidarity testify to the strength of our community. Together, we have made a real difference to the lives of those who rely on the services of our regional hospital.

On behalf of the Chaleur Regional Hospital Foundation, a huge thank you to each and every one of you. Your continued support is invaluable, and we are deeply grateful.

# Roses Radiothon: a collective effort in the fight against cancer

La santé, chez nous d'abord!  
For the health of our region!

**The Roses Radiothon once again demonstrated the strength of our community, which united to support the development of health care and services focused on the fight against cancer. Thanks to the mobilization of many volunteers, donors and activities, and in collaboration with our media partners--CKLE, Acadie Nouvelle and Bounce 104.9--we not only met but exceeded our ambitious \$100,000 goal, raising the exceptional sum of \$159,188.**

The success achieved is a testament to the leadership of Alice Hébert, Chair of the Roses Radiothon, and the dedication of our remarkable volunteer Irène Thériault, who skillfully organized Titan Day and made significant initiatives like the Pickleballthon tournament possible. We would also like to extend our sincere thanks to Jeff Long, Chair of the Walk 1 km in My Shoes event, for his invaluable support.

The Radiothon attests to a shared conviction: here at home first. Together, we are helping provide our community with the care and services it deserves.

# Charity Golf Classic: A remarkable success with a donation of \$62,646 and a historic milestone!

**The Chaleur Regional Hospital Foundation Charity Golf Classic, an invitation-only event, once again demonstrated the strength of our community and its health allies.**

A huge thank you to Dr. Marc-André Doucet, chairman of the 2024 Classic, and his extraordinary team for their leadership and dedication. Thanks to their hard work, this year's event raised an impressive \$62,646 for the Foundation!

With this amount, the cumulative donations raised since the beginning of the Charity Golf Classic now exceed the incredible milestone of \$1 million in 2024! These funds have a direct impact on the acquisition of essential medical equipment, transforming healthcare for our region, right here at home first!

We also extend our deepest gratitude to the golfers, dedicated volunteers and our valued sponsors, all of whom contributed to this historic milestone. Your generosity continues to change lives and build a healthy future.

We would like to express our deep gratitude to the Port of Belledune, a key partner whose unflinching support directly contributes to the success of this event.

# Northern Star: a great example of collaboration

The Northern Star is a perfect example of how nine Vitalité Health Network foundations, the community and UNI Financial Cooperation can work together to support health care here at home first. Under the leadership of Dr. Marilyne Bossé in the Chaleur region, this event creates a festive atmosphere at our hospital and brings our partners and the community together around this wonderful cause. Through this collective commitment, we raised \$29,248.

A huge thank you to all the participants, volunteers and partners who helped make the Northern Star a success and who, together, are helping to strengthen health care services in our region.

# Inauguration of the Healthy Trail: a new space dedicated to well-being

**This year saw the inauguration of the Healthy Trail, a project that reflects our commitment to promoting an active lifestyle and the well-being of our community. Accessible to all, the Healthy Trail offers a pleasant and safe environment for physical activity, promoting overall health.**

The Healthy Trail is the result of a wonderful collaboration between several partners and donors and symbolizes the importance of prevention and health outside hospital walls. It is designed to encourage patients, staff and community members to integrate physical activity into their daily lives, by providing a place suitable for walking, running and other forms of exercise.

This carefully designed space not only promotes patient rehabilitation, but also provides a place where everyone can take care of their health, while enjoying a relaxing, natural setting.

We're proud of this project and grateful to the UCT Bingo Club for its substantial donation, as well as to Médavie for their generous support, and to all those who contributed to its success. The Healthy Trail is a valuable addition to our region and demonstrates our commitment to promoting comprehensive, preventive health care.

# The Hayden and Mildred Hatheway Endowment Fund... a truly perpetual gift!

**The Chaleur Regional Hospital Foundation is pleased to announce the establishment of the “HAYDEN AND MILDRED HATHEWAY ENDOWMENT FUND” following a substantial gift of public shares from Mr. Hayden Hatheway.**

Mr. Hatheway was married to his beloved wife, Mildred, for 64 years. Mrs. Hatheway passed away on November 9, 2022. The couple had three sons: Jim, David and Ian. With a strong community spirit, the Hatheway family supports many important causes in our region, including the Chaleur Regional Hospital Foundation.

Mr. Hatheway is well aware of the importance of health services in the region and was keen to help support the Chaleur Regional Hospital. "The purpose of this endowment is to support my hospital, but I also wanted to give my sons and future generations the opportunity to contribute capital to increase the size of our fund," explained Mr. Hayden Hatheway.

The Chaleur Regional Hospital Foundation is pleased to acknowledge the generosity of Mr. Hayden Hatheway and hopes that his gesture will inspire others to follow in his footsteps. "An endowment fund generates a stable and predictable income stream for our foundation. It is in keeping with our mission to invest primarily in improving health care at the Chaleur Regional Hospital," added Mr. Jean-Guy Robichaud, Chair of the Board of Directors of the Chaleur Regional Hospital Foundation.

The mission of the Chaleur Regional Hospital Foundation is to work closely with the Chaleur Regional Hospital to identify and respond to the dynamic needs of the health care system and to promote community involvement.

# Bursary fund: investing in our people, our most important asset

**While the acquisition of state-of-the-art equipment is crucial to the delivery of quality care, it is equally important to recognize that staff are essential to the smooth running of our hospital. That's why the Bursary Fund plays a vital role in supporting the training and development of our health care professionals. This year, 18 employees benefited from the fund, sharing a total of \$21,407.**

By investing in the development of our staff's skills, we not only ensure better patient care but also a brighter future for our facility. Thanks to the bursaries awarded, our team members can pursue specialized training to enhance their knowledge and offer even more comprehensive care to our community.

*“Sometimes words are not enough to fully express how much we appreciate the support provided by the Foundation to our employees and the patients we serve. We are fortunate to have a well-established Board of Directors and an exceptional staff, whose mandate is to continue improving our facilities and professional skills. Recently, I had the opportunity to benefit from a bursary to attend a conference in Vancouver, where an aspect of our practice was passionately debated. This opportunity allowed me to come back and initiate a dialogue here in our province. We're on the front line thanks to your support, and I can't thank the Foundation, the donors and the staff enough for this investment in my personal and professional development. Thank you so very much!”*

## **Jennifer O'Donnell**

Speech-Language Pathologist  
Chaleur Regional Hospital

These bursaries represent a direct investment in the talents and skills of those who make a difference in the lives of our patients every day. It's thanks to them that we can maintain a level of excellence in health care, right here at home.

## Words of gratitude

In a year punctuated by challenges and successes, the Chaleur Regional Hospital Foundation wishes to express its deep gratitude to all those who have contributed to its achievements. Your support, whether in the form of donations, volunteering or partnerships, has been crucial in ensuring our community receives quality health care right here at home.

To our donors, thank you for your generosity. Every gesture counts and helps fund cutting-edge equipment, support vital programs and improve services for patients. Your commitment shows that, collectively, we have the power to change lives.

To our volunteers, thank you for your dedication, which is a true source of inspiration. Your contribution of time and energy has been essential in making our projects a reality. Your hard work reflects the community spirit that is the strength of our Foundation.

We would also like to thank our partners for their ongoing support. Together, we form a united team, dedicated to the health and well-being of our region.

Together, we have achieved some important milestones this year, and we will continue to move forward with the same determination. Thank you for believing in our mission and helping to improve health care for all.

“ Thank you for taking care of such good care of my mother! ”

“ Congratulations on this year’s campaign and keep up the good work! ”

# Statement of operations and changes in fund balances

## Revenues

Campaign revenues	\$508,888
Net commercial activity revenues	\$768,868
Net investment revenues	\$771,734
	<hr/>
	\$2,049,490

## Expenditures
