

FONDATION HÔPITAL
CHALEUR
REGIONAL HOSPITAL FOUNDATION

2024/ ANNUAL 2025 REPORT

Let's make an
impact on our health,
right here!

Message from the Chair of the Board of Directors

The 2024-2025 year was filled with remarkable achievements for the Chaleur Regional Hospital Foundation. Throughout the year, our community, volunteers and donors once again demonstrated exceptional generosity and commitment, making it possible for the Foundation to improve access to quality health care throughout the Chaleur region.

As Chair of the Board of Directors, I would first like to express my deep gratitude to our volunteers. Their time, energy and dedication have been essential to the success of our events, our campaigns and all our initiatives. Their unwavering commitment remains one of the Foundation's driving forces.

I would also like to extend my deepest thanks to our donors. From the smallest to the largest gestures, each of their donations has had a tangible impact on the services provided to our patients. Thanks to this generosity, we have been able to exceed our goals, fund key projects and support several priority areas of our hospital.

A very special thanks goes to the staff of the development office. Their professionalism, diligence and daily commitment have been at the heart of our success. Their hard work, often behind the scenes, has helped structure our campaigns, support our volunteers and ensure impeccable management of our activities. Their contribution was essential to the Foundation's momentum and credibility throughout the year.

The year was punctuated by inspiring campaigns, exceptional community support and strong partnerships. These achievements testify not only to the public's confidence in the Foundation, but also to the importance of the investments made in our health care facility, the Chaleur Regional Hospital. Together, we have helped improve the quality of care, modernize equipment and support the essential work of health care professionals.

Thanks to this collective effort, the Foundation has been able to fulfill its role as an ally in hospital development and to continue building a healthy future, right here at home first.

2024-2025 Annual Campaign

Every year, the Chaleur Regional Hospital Foundation can count on the exceptional generosity and commitment of its community. Thanks to a series of flagship events and the ongoing support of our donors, partners, volunteers and staff, we are able to invest in essential equipment and improve the care provided right here in the Chaleur region.

The Chaleur Regional Hospital Foundation's 2024 Annual Campaign was a resounding success, far surpassing its initial goal of \$375,000 to reach a total of **\$431,696**. These funds made it possible to strengthen health care services in priority areas such as cancer care and mother-child services, contributing directly to improving the quality and experience of care for the region's patients.

"This extraordinary success demonstrated the incredible generosity of our community and the dedication of everyone who contributed to this campaign. Together, we've accomplished something remarkable, and these funds had a direct impact on the care and services provided to our patients," said Hollis Chamberlain, Chair of the 2024 Campaign.

Campaign Activities

Campaign Committee

The Campaign Committee plays a crucial role in the success of our initiatives. Composed of committed and passionate volunteers, it works all year long to support fundraising activities, move the community to action and promote the Foundation's mission.

A special thank you goes to Hollis Chamberlain, Chair of the Annual Campaign, and to all the committee members (Danielle Goyette, Alice Hébert, Dr. Marilyne Bossé, Dr. Marc-André Doucet, Jean-Guy Robichaud, Jacqueline Chamberlain and Ryan Wilbur) for their leadership, dedication and commitment. Their contribution is invaluable and strengthens our ability to support health care in the region.

Roses Radiothon – Bathurst Region

Thanks to the immense generosity of the community, the Roses Radiothon raised **\$159,088** for the Chaleur Regional Hospital.

We would like to sincerely thank Alice Hébert, Chair of the Roses Radiothon for the Chaleur region, as well as Jeff Long, Chair of Walk 1 km in My Shoes, an event whose proceeds are donated to the Radiothon. Their leadership and commitment were essential to the success of this campaign.

 **RADIOTHON
DES
ROSES
RADIOTHON**

Northern Star – Chaleur region

Thanks to the loyalty of our donors, the Northern Star (Chaleur region) raised **\$36,717** this year.

Our deepest thanks go to Dr. Marilyne Bossé, Chair of the Northern Star for the Chaleur region, for her leadership and commitment, which ensure the ongoing success of this program.

Foundation Golf Tournament – 22nd Charity Golf Classic

The 22nd Charity Golf Classic was a great success, thanks to the ongoing support of our golfers, sponsors and partners. This flagship event raised **\$62,646.90**, bringing the tournament's cumulative total to over \$1 million since its inception – a major milestone for our Foundation.

We would like to extend our heartfelt thanks to Dr. Marc-André Doucet, Chair of the 2024 Charity Golf Classic Organizing Committee, and to all the committee members (Adam Chamberlain, Keith Assaff, Jeffrey David, Todd Morrison, Colin Brewster and Ian Hatheway) for their exceptional commitment and leadership. We would also like to sincerely thank all the participants, sponsors and volunteers who choose to team up with us year after year. Your generosity and commitment are essential to the continued success of this tournament.

Donation options

The Foundation offers several simple and accessible ways to support health care here at home first, allowing everyone to contribute according to their means and availability.

Monthly donations

Monthly donations are an effective way of supporting the Foundation on an ongoing basis. By committing to a monthly contribution, donors make it possible for the Foundation to plan long-term projects and invest in essential equipment and services. These recurring contributions provide the financial stability needed to improve the quality of care, facilitate the purchase of specialized equipment and support the day-to-day work of health care professionals.

Online donations

The Foundation also offers a secure online donation option that can be accessed at any time. This quick and easy solution makes it possible for donors to support the Foundation from the comfort of their own homes, or even on the move.

Thanks to these options, everyone can participate in their own way and contribute to projects that tangibly improve care for patients, families and care staff. Every donation, whether one-time or recurring, plays an essential role in the continuous improvement of services at the Chaleur Regional Hospital.

The screenshot shows the website fondationchaleur.ca/formulaire-de-don/. The page is titled "FORMULAIRE DE DON" and features the Fondation Chaleur logo. A navigation bar includes links for "Accueil", "Contactez nous", "506-544-2370", "English", and a "FAITES UN DON" button with a Facebook icon. The main form area is titled "Votre don" and offers two options: "Faire un don une fois" (highlighted in red) and "Don mensuel". Below these, there is a field for "Montant du don" with a dollar sign, a dropdown menu for "Fonds*" with the text "Choisissez un fonds auquel affecter votre don", and a link "Écrivez-nous un message privé @cautari". At the bottom, a small note asks "Voulez-vous être enregistré en tant que donateur?".

Major donations

Major donations are an indispensable lever for carrying out projects that would otherwise be impossible. This year, the Friends of Healthcare made an exceptional commitment of over **\$354,500**, thanks to the success of its Bingo and Chase the Ace events. These funds made it possible to acquire state-of-the-art equipment and improve the services provided to our patients.

Planned Giving Isabel MacLaggan

Planned giving ensures lasting support. We would especially like to thank Isabel MacLaggan, whose gift contributes to the annual campaign and to the creation of an endowment fund, ensuring long-term support for the Chaleur Regional Hospital Foundation.

The Jim and Isabel MacLaggan Endowment Fund pays tribute to two community builders whose commitment to Bathurst has spanned several decades.

For more information on planned giving:

<https://fondationchaleur.ca/en/submit/planned-giving/>

An inspiring philanthropic gesture

Keen to give back to the community that has shaped her life, Isabel has chosen to create an endowment fund to benefit the Chaleur Regional Hospital Foundation. By taking this step now, she hopes to demonstrate her deep attachment to the region, and to see the tangible benefits of her commitment during her lifetime.

This fund will provide lasting support for the hospital's essential services and equipment, ensuring real, ongoing support for present and future generations.

A lasting investment

We would also like to highlight the commitment of some of our donors who have created a named endowment fund because they care deeply about the long-term future of our Foundation. These funds are invested, and only the interest is used to support the Foundation and the facility now and for future generations. Thanks to their generosity and trust, we can carry out initiatives that simply would not be possible without their support.

We would like to thank these donors for establishing the following funds:

- **Bathurst Public Trust Inc.** *(founded in 2010)*
- **Monique Roy Fund** *(founded in 1992)*
- **Chaleur Regional Hospital Volunteer Auxiliary Endowed Fund** *(founded in 2021)*
- **Barbara Boyle bursary fund for nurses in the oncology clinic** *(founded in 2021)*
- **Hayden and Mildred Hatheway Endowment Fund** *(founded in 2023)*
- **Fonds à la Mémoire de Gisèle Roy** *(founded in 2023)*
- **Jim and Isabel MacLaggan Endowment Fund** *(founded in 2025)*

Support for professional development: an investment in excellence in care

The Foundation is proud to support hospital staff in their professional development through its bursary program. This fund is designed to encourage the development of skills, enrich knowledge and ensure quality expertise within our facility.

For 2024-2025, 22 recipients benefited from this bursary, enabling them to pursue training and enhance their skills in their respective fields. Since the program's inception, 427 recipients have shared a total of **\$271,519.86**.

We are grateful to the donors and partners who make this initiative possible, and thank them for their commitment to the future and the development of our care teams.

Statement of operations and changes in funds

Revenues

Campaign revenues	\$959,270
Net commercial activity revenues	\$808,698
Net investment revenues	\$1,170,821
	\$2,938,789

Contribution to Chaleur Regional Hospital	\$572,392
Excess of revenues over expenditures	\$1,834,237

Opening funds balance	\$1,178,051
ENDING FUNDS BALANCE	\$3,012,288

The impact of your generosity

Your invaluable support has strengthened our ability to provide high-quality healthcare to our community by helping to fund the purchase of state-of-the-art medical equipment and providing vital support to our frontline professionals. Your support makes a difference in the following areas:

\$281,404

Sectors related to patient care (53%);

\$123,160

Sectors related to diagnostics, treatments, and follow-ups (23%);

\$76,285

Employee well-being (14%);

\$51,311

Sectors related to professional development and other areas (10%).

2024–2025 List of donors

The Foundation wishes to highlight the generosity of individuals, businesses, organizations, and partners who made a donation in 2024–2025. In accordance with our recognition policy, the names of donors who contributed \$100 or more between April 1, 2024, and March 31, 2025, are listed below.

The list includes only the names of donors who chose to be publicly acknowledged. Many other benefactors have supported our cause anonymously, and the impact of their contributions is just as meaningful; we thank them sincerely from the bottom of our hearts.
